

HELP US STAY IN TOUCH

Do we have your correct contact address?

Just like family or good friends, we don't need to stay in touch every day, but it would be nice to know we are there to help should you ever need us.

We won't deluge you with post, or fill your in box with trivial e-mails. Most of the time we will post articles here on lscpensions.co.uk and leave it entirely up to you.

Every now and then though, it is best we write direct to you, especially when we want to make sure you receive any benefits due. So, we want to be certain we have your current address.

It couldn't be easier to let us know. If you use our secure online system, simply log on, check your account details and the address we hold for you. If it's correct you don't need to do anything else.

Should your details be less than up to date, or you don't want to log on, or have no idea what address we hold; no problem. Simply email your current address to us at lscpensions@hymans.co.uk and we will do the rest.

Finally, don't be shy. If you, or a family member, would prefer to write to us, we love letters too. Send your current address details to us at:

LSC Pension Scheme Administrators

It will be great to hear from you.
